A Volume of Truth

—in fact, many volumes would be required to tell of the purity, deliciousness and satisfaction that goes with every ration of the famous whole wheat and barley food, Grape-Nuts.

Whole wheat is sweet, but when malted barley is added then comes a nut-like flavor more tasty and satisfying than is possible in any food made of wheat alone. But the barley does more than heighten the flavor—it gives this food its great digestive qualities.

It is a fact that Grape-Nuts supplies, as does no other food in such splendid proportion, all the nutriment of the grains, including the vital mineral elements often lacking in the daily diet, but which are imperative for mental and physical vigor.

Grape-Nuts is especially processed for easy digestion and yields a wonderful return of sturdy brain, nerve and muscle energy.

Grape-Nuts is always ready to eat—just tilt the packet and add cream or good milk—a delicious dish, richly nourishing and highly satisfying.

"There's a Reason" for Grape-Nuts
